

Benchmarks	Trojan payload	Trojan trigger	Trojan type	# of Observations
AES-T100	Leaks the key through covert CDMA channel	Always on	II	42
AES-T200	Leaks the key through covert CDMA channel	Always on	II	42
AES-T700	Leaks the key through covert CDMA channel	Specific plaintext	II	42
AES-T900	Leaks the key through covert CDMA channel	Counter	II	42
AES-T1100	Leaks the key through covert CDMA channel	Plaintext sequence (FSM)	II	42
AES-T2000	Leaks the key through PSC of shift register	Specific plaintext	II	35
AES-T2100	Leaks the key through PSC of shift register	Plaintext sequence (FSM)	II	35
RSA-T100	Leaks the key through ciphertext output	Specific plaintext	I	37
RSA-T300	Leaks the key through ciphertext output	Counter	I	37
DES-T100	Leaks the key through covert CDMA channel	Always on	II	28
PRESENT-T100	Leaks the key through covert CDMA channel	Always on	II	19
AES-T1100 (M)	Leaks the key through covert CDMA channel	Plaintext sequence (FSM)	II	42
