

Input	one of those american robot cars .
SBS	i don 't know what the hell you 're talking about but it 's the only solution .
FP($\lambda=1$)	you know i don t know if you 've got a lot of good ideas on the subject sir !
FP($\lambda=5$)	the first time they 've ever had a chance to know who got them killed ? ! !
Input	the comanches mate their women early .
SBS	they don 't even know who they 're dealing with but they don 't want to see their children .
FP($\lambda=1$)	and now it seems to have a new owner who has a name for a new friend in america .
FP($\lambda=5$)	the only reason that you don 't have a problem is that there 's no more
Input	but she is still our innocent .
SBS	she 's not the only one who knows what she 's doing to her own life
FP($\lambda=1$)	and now we can all find out what happened in the last place that she was in love with isn
FP($\lambda=5$)	and the only reason we 've taken the case ... is because she has no intention of leaving her .
Input	oh must i the whole sentence ?
SBS	i don 't know if i 'm guilty or not guilty but i 'm guilty of murder .
FP($\lambda=1$)	i mean i 'll have you in my quarters when i 'm through with the crime scene . ! ?
FP($\lambda=5$)	well if you 'd mind saying i 'd rather be the one who 's on my own now ! !
Input	because that 's a real guy .
SBS	that 's why he 's in love with a guy who doesn 't know what he 's talking about .
FP($\lambda=1$)	but i think we all know who he was and why we came from the real world ! ? !
FP($\lambda=5$)	i mean you know who i think that 's the guy who lives in the real world right now .
Input	that 's what this job is .
SBS	you don 't have to worry about the money or the money or the money or anything .
FP($\lambda=1$)	and i 'll tell you that i 'm not gonna let you in on this one okay ? ! ?
FP($\lambda=5$)	it means we have to go to jail because we have to go through the whole thing all right sir
Input	supervisor tang they are starting to quarrel
SBS	i don 't want to be late for the meeting but i can 't
FP($\lambda=1$)	but the boss doesn 't even care about his family and he 's the only one in this family .
FP($\lambda=5$)	and if we do not succeed the next time we 'll be back together . . . !
Input	we 're almost out of time .
SBS	we 've got to get back to the ship before the sun hits the moon and the moon will rise .
FP($\lambda=1$)	and the next day the next time you go into the city you 'll go home to bed again !
FP($\lambda=5$)	the last time i checked out i had to be in the wrong place . ! ? !
Input	get your fat ass over there !
SBS	get the fuck out of my way ! ! ? ! ? ! ? ! ? ! ? ! ?
FP($\lambda=1$)	don 't you think i 've got a better idea than to get my ass kicked out here ? !
FP($\lambda=5$)	you know i 'm going to have to go over and see the other two kids ? ! ? !
Input	i gotta have the whole beehive .
SBS	i 'm in the middle of the street and i 'm in the middle of the street and i say
FP($\lambda=1$)	he says i gotta go to bed and i 'll get the car and i 'll make it easy !
FP($\lambda=5$)	the other night when the party starts going down there 's no other place for them ! ?
Input	what are you trying to hide ?
SBS	i don 't know what you 're talking about but it 's the truth .
FP($\lambda=1$)	i thought he said that i 'd find a way to make sure he didn 't kill me . !
FP($\lambda=5$)	i thought he said you were gonna go to a meeting or a party ? ! ? !
Input	oh my that looks yummy lily .
SBS	i don 't think she 's gonna wear it in the first place but she 's gonna be okay .
FP($\lambda=1$)	you know i don 't think you 've ever been in love with a girl like me ever before !
FP($\lambda=5$)	you know i don 't know how much longer that 's gonna be in your body . okay ? .
Input	the man said nothin at first .
SBS	he said he didn 't know what he was talkin about but he didn 't say nothin about it .
FP($\lambda=1$)	he said that the first thing that happened to him was the first time he ever came here again !
FP($\lambda=5$)	and then the second and third i went to the bathroom and there 's nothin wrong ? !
Input	we get in a big hand .
SBS	we don 't know what we 're talking about but we 're in the middle of a big fight .
FP($\lambda=1$)	the other day when we came here we had to go to the police right away . !
FP($\lambda=5$)	you know we 'll see you around the block when we get there and get your ass outta here !
Input	i have an announcement to make .
SBS	i want you to meet the president of the united states and i want to thank you .
FP($\lambda=1$)	you know that i was the first person i ever worked with in my entire career . . . !
FP($\lambda=5$)	you know that i was the only man in my crew who would be interested in this . . .
Input	the unknown order is chaos man .
SBS	it 's the only thing we need to do right now right now is that we 're in the middle .
FP($\lambda=1$)	you know what we 'll find on the planet when you 're in the middle of the war ? !
FP($\lambda=5$)	i know the right way to get rid of it but i can 't handle it . ! ? !
