

Basic Difficulty Types	Comment
T1: Diversity-hardness	Distributing the feasible solutions
T2: Feasibility-hardness	Obtaining a feasible solution is d
T3: Convergence-hardness	Approaching a Pareto optimal so
T4: Diversity-hardness and feasibility-hardness	Obtaining a feasible solution and
T5: Diversity-hardness and convergence-hardness	Approaching a Pareto optimal so
T6: Feasibility-hardness and convergence-hardness	Obtaining a feasible solution and
T7: Diversity-hardness, feasibility-hardness and convergence-hardness	Obtaining a Pareto optimal solut
